

# Beefy Bender

Load Capacity (lbs.)  
48–96\*

Shelf Depth (in.)  
8

## About Beefy Bender

Shelf constructed with 11 gauge hot-rolled steel.

Screw holes are set 5/16" OC from each end and continue every 2" down length of shelf from center.

Manufactured from top-quality American steel made with 70% recycled content.

Designed and produced in beautiful middle-of-nowhere Idaho, with sweat, tears, and Ameri-quality awesomeness.

Shelfology radically recycles all production metal, wood and cardboard waste.

\*  
WARNING: All shelves must be installed properly into studs or with wall anchors. Failure to do so may result in saggy shelves, falling objects, or even injury.

\*\*  
Drawings are representations only and not to scale.
