Load Capacity (lbs per linear foot)  
7.5\*

Shelf Depth (in.)  
6

## About Bender FM 5

Shelf constructed with 14 gauge hot-rolled steel.

Screw holes are set 5/16" OC from each end.

Supports 7.5 lbs per linear foot.

Custom depths and lengths available upon request.

Manufactured from top-quality American steel made with 70% recycled content.

Designed & crafted by radically talented humans right here in the U.S. of Awesome.

Shelfology radically recycles all production metal, wood and cardboard waste.

\*  
**WARNING:** All shelves must be installed properly into studs or with wall anchors. Failure to do so may result in saggy shelves, falling objects, or even injury.

\*\*  
Drawings are representations only and not to scale.
