About Double Bender

This radical shelf is constructed with 11 gauge hot-rolled steel.

Supports 27 lbs per linear foot.

Custom depths and lengths available upon request.

Manufactured from top-quality American steel made with 70% recycled content.

Designed & crafted by radically talented humans right here in the U.S. of Awesome.

Shelfology radically recycles all production metal, wood and cardboard waste.

*
WARNING: All shelves must be installed properly into studs or with wall anchors. Failure to do so may result in saggy shelves, falling objects, or even injury.
