About Mosey Magnetic Board

Made from 14 gauge hot-rolled steel.

Corner radii are 1".

Screw holes are located 1" from edges of board in each corner. Screw holes are 3/16" outside diameter (OD).

All boards wider than 24" receive 2 additional screw holes aligned on center located 1" from top and bottom edge.

Minimum dimensions are 12"x12".
 Maximim dimensions are 24"x48".

Nylon standoffs (optional) are 1/2".

Manufactured from top-quality American steel made with 70% recycled content.

Designed and produced in beautiful middle-of-nowhere Idaho, with sweat, tears, and Ameri-quality awesomeness.

Shelfology radically recycles all production metal, wood and cardboard waste.

WARNING: All fasteners must be installed into studs, backing, or wall anchors. Failure to do so may result in a saggy board, falling objects, or even injury.

 Drawings are representations only and not to scale.
