

Shingle Hook

Weight (lbs)

1

Load Capacity (lbs)

150

Shingle Hook

Made from 1/8" thick hot-rolled steel.

Hardwood backplate option made from 1/4" thick solid walnut, maple, or white oak.

Screw holes are set 3/16" OC from top and bottom edge of plates.

Screw holes are 3/16" outside diameter (OD).

Supports 150lbs per hook when correctly mounted.*

Manufactured from top-quality American steel made with 70% recycled content.

Designed and produced in beautiful middle-of-nowhere Idaho, with sweat, tears, and Ameri-quality awesomeness.

Shelfology radically recycles all production metal, wood and cardboard waste.

***WARNING:** All hooks must be installed into studs, posts, or dry wall anchors. Failure to do so may result in saggy hooks, falling objects, or even injury.

**Drawings are representations only and not to scale.
