About Wink

Shelf constructed with 11 gauge hot-rolled steel.

Manufactured from top-quality American steel made with 70% recycled content.

Designed & crafted by radically talented humans right here in the U.S. of Awesome.

Shelfology radically recycles all production metal, wood and cardboard waste.

*** WARNING:** All shelves must be installed properly into studs or with wall anchors. Failure to do so may result in saggy shelves, falling objects, or even injury.
